Thank you for coming to court as a potential juror! In order to select a jury, the judge and the people involved in the case need to know something about you so that they can select jurors who are able to be fair to both sides

Everyone has attitudes and opinions that are shaped by their life experiences. Sometimes these experiences can make it difficult to look at a certain issue in an unbiased and unemotional way. As a juror, you must return a verdict based on the law and on the facts proved in court, not on emotion or on other views not supported by the evidence. The judge will give you instructions on the law and on how you should go about deciding the case. You must listen to and follow the judge's instructions.

The questions on this form are designed to help the court and the lawyers learn something about your background and your views on issues that may be related to this case. The questions are asked not to invade your privacy, but to make sure that you can be a fair and impartial juror. If there is any reason why you might not be able to give both sides a fair trial in this case, it is important that you say so.

PLEASE PRINT ALL YOUR ANSWERS. IF THERE IS NOT ENOUGH ROOM TO ANSWER COMPLETELY, THERE IS SPACE TO CONTINUE ON THE LAST PAGE OF THIS QUESTIONNAIRE.
